

OUR PROJECTS

SECTOR: HOSPITALITY

MOXIE'S CLASSIC GRILLE

2959 Argentia Road, Building B, Mississauga, Ontario

DESCRIPTION:

Callidus designed HVAC, plumbing and electrical system for this 8000 square foot, restaurant with luxurious finishes. Lighting controls consisted of a central dimming system with four different zones each with five different settings.

CONSULTING SERVICES:

Callidus Engineering provided the plumbing, mechanical and electrical engineering design drawings and construction administration for the project.
