ST. LAWRENCE COLLEGE WASHROOM RENOVATION

100 Portsmouth Avenue, Kingston, ON

DESCRIPTION:

Callidus Engineering provided the design for renovations to existing washrooms in 5 locations within the St Lawrence College Kingston campus.

CONSULTING SERVICES:

Callidus Engineering provided both mechanical and electrical services to accommodate this project scope. The mechanical systems include exhaust ventilation, domestic water, and sanitary plumbing. These systems are applied to 5 washrooms within the building. Similarly, the following electrical systems apply to the same 5 washrooms within the building: power systems and layout, fire alarm, lighting system, and layout for each washroom.
